It may be stated in this connection that Sri Surappa was acting Public Conveyance Inspector on (60-4-80 + Rs 7/8/- Conveyance Allowance which was subsequently raised to 60-5-90 EB-6-150 and he was posted as Municipal Store Keeper with effect from 13-4-48 consequent on the suspension of the previous Store keeper Sri S R Bhombhore, since he was found suited for the post In view of this official having been posted to the place of a lower grade and his having lost some emoluments by this transfer the Municipal Council revised the grade pay of the Store Keeper from 50-5-100 to 60-5-90 EB-6-150

Copy of application dated 1st July 1948 from Sri S N Surappa, Storekeeper, to the Municipal Commissioner, City Municipality through The Executive Engineer, City Municipality, Bangalore

---

As per your kind orders I have assumed charge of the Store Keeper and in doing so, as already represented by me I am a loser in grade as well as allowance If I had continued as P C Inspector, I would have got the grade pay of 60-5-90-6-150 and a Conveyance allowance of Ps 10/- per month I was assured that my interest would be safeguarded by Your Goodself I am given to understand that Government have recently revised the grade pay of the Store Keeper from Rs 30-5/2-80 to Rs 50-5-100 against the revised grade pay of Rs 110-8-150 sanctioned by the Municipal Council As such, I have lost a better grade and the allowance

It was the intention of Your Goodself that the grade pay of the Cashier and the Store Keeper should both be revised as Rs 110-8-150 I learn that the Cashier's case has again come up for your reconsideration

Under the circumstances set forth above, I pray that the original sanction of the Council to give the Store Keeper Rs 110-8-150 may kindly be sanctioned to me

The work of the Store Keeper is very onerous and involves great responsibility and heavy work

I pray once again that I may be kindly given the grade pay of Rs 110-8-150 as sanctioned by the Council

For which act of kindness and mercy I shall ever remain grateful to you

SIR,

Subject - ADDITIONAL STAFF TO THE MUNICIPAL ENGINEERING STORES IN THE BANGALORE CITY MUNICIPALITY

With reference to your letter No L 5124 dated 11-11-48 on the above subject, I have the honour to state that the additional establishment proposed is on a permanent basis A copy of the report submitted by the Municipal Executive Engineer explaining the necessity for additional Establishment is enclosed for favour of perusal A Proposition statement, in duplicate, incorporating the revision of the grade pay of Store-keeper, as per proposals already sent, is sent herewith for reference The extra cost involved due to the revision of the Establishment would be Rs ~~[illegible]~~ 95-29/30 per month or Rs ~~2032~~ 115/-10-0 per annum which will be provided in the Revised Budget Estimates for the current year

I desire to add in this connection that the proposed additional staff for the stores is quite essential to safeguard the Stores Articles worth several thousands of rupees and to maintain necessary accounts and proper preservation of records till the accounts of stores are audited, so that recurrance of defalcation in the Stores Articles may be prevented

I request you therefore kindly to obtain very early sanction of Government to the resolution of the Municipal Council

P T O

REPORT EXPLAINING THE NECESSITY FOR THE ADDITIONAL STAFF ON PERMANENT BASIS REQUIRED TO THE MUNICIPAL ENGINEERING STORES SUBMITTED BY THE MUNICIPAL EXECUTIVE ENGINEER, BANGALORE CITY

The Municipal Stores which is transacting with a number of articles both stock and tools and plant is now looked after by one inexperienced Store Keeper with a night Watchman The necessity for an experienced Store Keeper has been stressed already The activities of the Municipality have increased, and the articles to be handled by the Store authorities are also increased

To maintain regular account of receipts and issues or articles etc , there is necessity for an Assistant Store Keeper also on a permanent basis With the sanction of the Assistant Store Keeper the work of issuing and receiving materials etc , from and to the Stores could be effectively done, while the Head Store Keeper will be responsible for the correct maintenance of Ledgers etc

In most cases, it has not been possible to watch from the Stores, whether the articles once drawn to works are properly adjusted and the accounts furnished from the subordinates are in order or not. The monthly tool and plant and stock accounts statements of the subordinates are usually verified by the Store Keeper and remarks are passed if there be any descripancy in their accounting This procedure is in vogue in the P W D Unless such things are brought here also, the store transactions cannot be regularised and cannot furnish satisfactory explanations to the audit objections

There is one watchman for stores, and he will be present in the night times only During the day, there will be none to watch the Municipal property both in the stores and in the store yard The necessity for an additional watchman is of an urgent necessity
